St. Leonard Catholic Elementary School

Temporary Host Location

June 8, 2020

As you are aware, on May 9, St. Leonard Catholic Elementary School suffered extensive damage as a result of several fires that were deliberately set within the building. The Dufferin-Peel Catholic District School Board (DPCDSB) Health and Safety Department and Plant Department are working in conjunction with the Ontario School Board Insurance Exchange (OSBIE) to determine the extent of the damage. The investigation into damages is anticipated to take up to three months. Until such time as further information is available from OSBIE and for staff to recommend a permanent plan of action, students from St. Leonard will require temporary hosting at an alternate location.

What's the Plan?

All students, currently residing within the St. Leonard school boundary and under the DPCDSB transportation eligibility requirements, will be bused to St. Rita. Temporary bus routes and stops will be determined by the DPCDSB Transportation Department no later than August 31. Please refer to www.STOPRa

_____ after August 31.

What about Childcare?

Further information will be forthcoming regarding the operation of the school aged Before and After School program at St. Rita for St. Leonard students.
